

OFFICIAL BOROUGH OF WEST VIEW
RESOLUTION NUMBER 1388

A RESOLUTION OF THE TOWN COUNCIL OF THE BOROUGH OF WEST VIEW DEFINING, WITHOUT REGARD TO THE COSTS AND AFFORDIBILITY THEREOF, THE BEST ALTERNATIVES RELATIVE TO A WET WEATHER PLAN FOR THE BOROUGH'S GIRTY'S RUN WATERSHED.

WHEREAS, the BOROUGH OF WEST VIEW has performed activities under the terms of a Consent Order and Agreement (COA) with PA D.E.P.; and

WHEREAS, said COA required preparation and submission of a Feasibility Study by July 31, 2013; and

WHEREAS, the US Environmental Protection Agency has entered a Consent Decree (CD) for the Allegheny County Sanitary Authority (ALCOSAN) requiring preparation of a Wet Weather Plan by January 2013; and

WHEREAS, said COA requires that the BOROUGH OF WEST VIEW cooperate with ALCOSAN in the preparation of its Consent Decree mandated Wet Weather Plan; and

WHEREAS, ALCOSAN by letter dated November 7, 2011 requested that, for each listed complex sewershed, the participating municipalities submit a single comprehensive draft Feasibility Study designed by Point of Connection and to adopt and submit a Resolution indicating the current status of its evaluation of leading alternative wet weather plan solutions; and

WHEREAS, it is the intent of this Resolution to acknowledge the Borough's consideration of the current preferred alternative(s) relative to the Wet Weather Plan.

NOW, THEREFORE, be it RESOLVED by the Town Council of the Borough of West View and it is hereby RESOLVED by and with the authority of the same, that

1. The BOROUGH OF WEST VIEW herein named acknowledges the alternative analyses that have been undertaken and preferred alternatives have been short listed as identified in Attachment A hereto, and, based on information currently available at the time of this submission, concurs that they appear to be the best alternative(s).
2. This concurrence by the BOROUGH does not, in any manner whatsoever, provide any type of approval, nor does it commit the BOROUGH to any particular alternative, to any associated construction costs of the current preferred alternative, or to relinquish the opportunity to evaluate other possible alternatives prior to the COA July 31, 2013 submission date.
3. Further, this concurrence does not preclude further study, consideration of additional alternatives, and final recommendation and acceptance of same prior to the COA mandated submission of the Feasibility Study by July 31, 2013 or as additional information or material to our deliberations may become available.

RESOLVED and ENACTED this 12th day of June 2012
