Senior Scholar Members: We would like to provide you web site information regarding the Coronavirus/ COVID19.

The Mecklenburg County Public Health Department launched a hotline for people with questions about the new coronavirus and the disease it causes, COVID-19.

The phone line is designed to provide information about the new coronavirus and COVID-19 to medical providers, members of the media, people who may be experiencing virus symptoms and members of the public who have questions, Public Health Director Gibbie Harris told the Board of County Commissioners Wednesday night.

The hotline phone number is (980) 314-9400. Harris said it will be open daily from 8 a.m. to 5 p.m. for general inquiries and 24 hours a day for the medical community.
