Dear Prospective Sponsor,

Elmer Harvest Day is October 5\textsuperscript{th} and the fourth annual Elmer Library 5K and Mayor's Mile will be held that morning. All proceeds from the 5K & Mayor's Mile go to the library. While we were very pleased with the success of the past three races, we have been working on increasing participation as well as making some other improvements. The race committee would like to ask for your support by considering being a sponsor for the race. You are also welcome to have an information table that day on the lawn of the library where the runners gather.

Elmer Library, a fixture in Elmer since 1912, is an integral part of the community, providing not only books, but computer availability for its patrons. It serves three communities - Elmer, Pittsgrove, and Upper Pittsgrove - and is entirely funded by membership dues and contributions.

Any donation is helpful and tax-deductible, but sponsors donating $100 or more will be featured on the T-shirts (and receive a T-shirt) as well as on signs posted on Main Street in front of the library the weeks before and after the race. Checks can be made out to Elmer Library and need to be received by September 10\textsuperscript{th} to be featured on the shirts and signs.

Please feel free to contact me with any questions. On behalf of the race committee, I hope to hear from you soon. Thank you for your kind attention.

Very truly yours,

Donna K. Stemberger
Elmer Library 5K Committee
