Advisory Message on Coronavirus (COVID-19)  
E-Register System

In light of the current situation concerning the Coronavirus (COVID-19), the Embassy of Brunei Darussalam in Washington D.C. strongly urge ALL BRUNEI NATIONALS AND PERMANENT RESIDENTS in the United States (either for study, work or leisure) to immediately register with the Embassy via the following page: http://www.mfa.gov.bn/Pages/e-Register.aspx.

The information provided will allow the Embassy to contact and provide consular assistance in the event of an emergency (for example: natural disasters, civil unrests, infectious disease outbreaks, or sudden illness).

The Embassy also would like to remind all Brunei Nationals and Permanent Residents in the US to take precautionary measures to avoid being exposed to the virus, to continue monitoring local news, and to follow the instructions of their respective local authorities.

Precautionary measures include:

- Washing your hands often with soap and water for at least 20 seconds or using hand sanitizer.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay at home when you are sick.
- Wear a mask if you are sick.
- Cover your cough or sneeze with a tissue, then immediately throw the tissue in the garbage and wash your hands.
- Clean and disinfect frequently touched objects and surfaces using a disinfectant cleaning spray or wipe.
- If you feel sick, please contact the nearest urgent care, hospital, or doctor clinic.
- Avoid crowded areas (where you can).
The Embassy would like to advise all Brunei Nationals and Permanent Residents in the US to:

- stock up on necessities such as food and medicine for a minimum duration of two weeks (in the event an emergency lockdown is initiated);
- avoid unnecessary travel especially to known affected areas and to please make sure to consult the relevant travel advisories; and
- to regularly update the Embassy.

In this regard, we would like to share some links for the information you need to properly mitigate the risks and take care of yourselves.
