Sugar's Gift™

GIVE NOW!
Help us help more Little Angels....

www.Sugars6ift.org

We are the ONLY 501(c)(3), non-profit organization in the country to provide hospice, euthanasia and end-of-life veterinary services for terminally ill pets in their own homes. This allows them to be in a relaxed, familiar setting where they have lived and have been loved, so they can cross over the Rainbow Bridge with Comfort, Dignity and Peace.

**WHO WE ARE**

Sugar’s Gift™ was founded to provide hospice, euthanasia and end-of-life veterinary services for terminally ill pets in their own homes. This allows them a relaxed, peaceful setting, where they have lived and have been loved, to cross over the Rainbow Bridge with dignity.

- Everyone, no matter what income level, has pets who will need us. We do not charge for our services; however, we are successful only with your generous donations. We appreciate every dollar we receive.
- We don’t discriminate because this is about helping our little ones pass at home without the shaking, the wide eyes, the pulling of the leash that they experience when they go to their vet’s office.
- This is about them.
- This is Sugar’s Gift to you and your little angel to be comfortable and to be at home for a loving good-bye.

**WHAT WE DO**

- We work with specific veterinarians in each of our coverage areas who have knowledge, experience and compassion to help your little angel cross peacefully.
- Our vets will come to your home and help your terminally ill pet cross the Rainbow Bridge comfortably.
- We also provide a private cremation and we’ll deliver your baby back home is a beautiful urn, so that you can remember Sugar’s Gift to you and your beloved pet.

Until we meet again…. 
HOW YOU CAN HELP

There are so many ways you can help the Little Angels at Sugar’s Gift™:

• 100% of your donation may be tax deductible (check with your tax advisor), and 98% of your donation goes toward helping the Angels cross the Rainbow Bridge from home. Paying it forward will ensure another baby gets our help.

• It costs us between $800 - $1,200 to help each Little Angel cross over the Rainbow Bridge from home. Working together, we want to help as many Angels as we can. You can work with us in many ways to help us meet our goals.

• Visit our website, www.SugarssGift.org, to learn more ways to help....some at no cost to you!

WHY LET US HELP YOU?

Why let Sugar’s Gift™ help you when you could use your vet or another for-profit service?

• We help you through every step of the process, just like your pets are our own Little Angels. We can’t make the decision for you, but we offer help based on our personal experiences.

• We want pictures of your pets for our website - we want to share your pet’s life story. We keep in touch.

• We offer an incredible, life-changing experience for you and your pet. Read the glowing Testimonials on our website and you’ll understand.

• It is not just about the euthanasia, nor the private cremation. It is about us providing a personal touch to help you, too, because you loved them so much. It is the experience and celebration of the love between you and your pet that is our focus. This about YOU and THEM.

• We offer a gift, Sugar’s Gift, to you and your pet.

HELP US!

WHEN IS IT TIME?

You know your pet better than anyone on the planet. They will exhibit signs or "tell you" how they feel and when to make the decision. Some things to be on the lookout for:

• Changes in eating and drinking habits
• Signs of pain or discomfort
• Body function changes
• Disinterested in playing, socializing
• Decrease in the quality of life
Comfort, Dignity and Peace... Right Time, Right Place... At Home.

For Larger Donations and Corporate Donations....

We have various levels of support for our Little Angels that are tax deductible (check with your tax advisor) and allow you to generously donate to help our Little Angels at the same time. We would love to discuss options for a Partnership with you, as well as explore matching your employees' donations.
